

Fisher Brown Bottrell Insurance

Internship Program

Fisher Brown Bottrell Insurance (FBBI) seeks to employ highly capable and motivated individuals who are driven to excellence and share our commitment to provide appropriate risk management strategies to our customers and support for our communities. The FBBI Internship program allows the intern to work closely with FBBI associates to gain a working knowledge of the insurance industry. Along with on-the-job training, interns are exposed to all angles of the insurance industry through visits with various departments within the agency, participation in leadership and professional development classes and completion of a special project. Internships may provide full-time employment opportunities with FBBI.

The Internship program is offered in Jackson, MS, Oxford, MS and Pensacola, FL. All majors are considered for the program; a minimum overall grade point average of 2.8 in undergraduate or advanced degrees is required. Candidates should possess excellent oral and written communication skills, as well as demonstrated leadership, professionalism, organization and time management skills. Flexible work hours built around class schedules are available.

Fisher Brown Bottrell Insurance is an equal opportunity employer. All applicants are considered for positions without regard to race, religion, color, national origin, sex, age, protected Veteran status, sexual orientation, gender identity, marital status or disability.
