** Your regular APR for Purchase is determined for each Billing Cycle by adding a Margin based upon your Outstanding Balance to the Prime Rate.

***The Prime Rate used is the highest "Prime Rate" as published in *The Wall Street Journal* on the last day of the month in which the Billing Cycle began or, if not published that day, on the next day published.

How we will Calculate your Balance: We will use a method called "average daily balance (including new purchases)." See your Cardholder Agreement for more details.

Loss of Introductory APR: We may end your introductory APR and apply the Penalty APR if you make a late payment.

Billing Rights: Information on your rights to dispute transactions and how to exercise those rights is provided in your account agreement.

Monthly Cash Rebate: You will receive a 1.5%¹ Cash Rebate on qualifying gas and grocery purchases and a 0.50% Cash Rebate on all other purchases each billing cycle. Your Cash Rebate will be based on the total net Purchases (Purchases less Returns) posted to your Account during your Billing Cycle. Your Cash Rebate will be credited to your Credit Card Account, or a Trustmark deposit Account you have designated, by the fifth business day of the following Billing Cycle. Should the amount of Return exceed the Purchases during any Billing Cycle, resulting in a credit balance, your Account will be debited accordingly.

The Cash Rebate is offered at our sole discretion. We may, from time to time and in our sole discretion, change or limit any aspect of the Cash Rebate and its rules, restrictions, benefits or features, in whole or in part, including, but not limited to, suspending or terminating all or part of the Cash Rebate, with or without prior notice to you (except where required by law). We also reserve the right to add any Program membership or other fees or increase such fees, if any. Our decisions regarding the Program are final.
