

View all user-initiated activity from within Online Banking. Select **Pay and Transfer** then **Activity Center**.

Single Transactions

- Select the **Single Transactions** tab to view one-time online transactions.

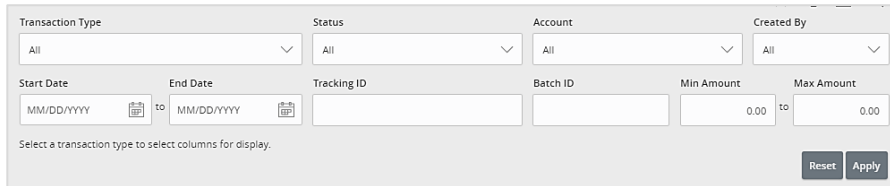

Recurring Transactions

- Select the **Recurring Transactions** tab within the Activity Center to view online transactions which are set up to occur in a series.

To Search

- Select the **Filter** icon to reveal searchable fields.

Deposited Checks

- Select the **Mobile Deposits** tab within the Activity Center to view checks that have been deposited using the Mobile Remote Deposit Capture functionality.

NOTE: You must be enrolled in Mobile Remote Deposit Capture before this tab will appear on the Activity Center screen.

- Select the **kebab** for a listing of available actions corresponding with the transaction.
